Dated: 17/11/2007

Mr. Muhammad Zafar
Executive Engineer EHV
Const. Division NTDC
Lahore

Subject:- APPRECIATION/COMMENDATION LETTER.

It gives me immense pleasure to acknowledge that it was due to your unflinching determination and dedication to your duties that the rehabilitation/ restoration work of "Shifting, Installation, Testing and Commissioning of 220/132KV 160 MVA (XIAN CHINESE MAKE) Power Transformer at 500KV Grid Station Sheikh Muhammadi Peshawar in place of damaged Power Transformer" has been completed within the shortest possible time at much lower expenses, despite number of problems coming in its way.

I appreciate your devotion to duty and congratulate you and all your team for keeping the interest of the department above self at personal inconvenience. I hope that you will keep this spirit alive and expect your exceptional example to be followed by your colleagues and subordinates.

I wish you all the best in your future career.

(Amir ur Rehman)
Chief Executive Officer (NTDC)
